

## Industrial Contract Services

**Opportunities in Tyler (OIT), our extended employment center, is the Industrial Contracts Division** of Goodwill Industries of East Texas. Individuals who need a longer transition period and/or may not be able to compete in community employment have opportunities for positions within Goodwill Industries. On-going support services are provided as needed.

**Paper Towel Manufacturing**

**Goodwill's Industrial Contracts Division** functions as a professional outsource operation for area and national companies and manufacturers by providing fulfillment of specific contract work. We offer businesses a cost-effective solution to space and manpower shortages.

**Local pickup and delivery is available**

**Corner Posts for Smurfit-Stone Container**

Goodwill's Industrial Contracts Division is available for both long and short term contracts.

All contracts are subjected to a 100% quality control check and are guaranteed on time and to specifications.

**We process over 80,000 sample chips weekly for Wilson Art**

### **Business Partners include:**

Kelly-Springfield, United Technologies-Carrier, Trane Residential Systems, Strategic Fulfillment, Crème Lure, Gordon Brothers, Tyler Pipe, Smurfit-Stone Container, United Way, and various State and Federal Government agencies.

## Digital Imaging & Document Destruction

Document storage on CD is now available through the use of digital imaging. Boxes and boxes of paper records can be scanned onto a single CD, solving your storage problems.

**Digital Imaging**

We also provide document destruction/shredding in a secured area that is monitored by a video security system.

**Document Destruction**

## Grounds Maintenance

Goodwill Industries operates a professional grounds maintenance crew that specializes in mowing, trimming, raking and general cleanup of both commercial and private properties. Our largest customer is the Texas Department of Transportation where we are the caretakers of roadside parks and TXDOT offices around East Texas. We also offer varied services such as parking lot restriping, power washing, and job site cleanup. Whether it's a one time job or something you want done on a weekly or monthly basis, we offer competitive rates and fast service. Our crews utilize only commercial equipment and experienced workers giving you better than expected results.
