

# Suddenlink C.R.E.O. Program

## What is C.R.E.O.?

(**C**ustomer **R**elation **E**mployment **O**pportunities)

This is a program that allows individuals with disabilities the opportunity to gain experience in customer service by placing them in an actual call center to help work on their job performances and skills.

**9 Week Program** designed for **40 hours a week** that help individuals with disabilities gain knowledge in and experience in:

- **Customer Service**
  - **Accounting**
- **Computers & Technology**
- **Call Center Behavior**

Trainees who successfully graduate will not only have the skills necessary to help better prepare them for employment, but will also have the **opportunity to interview and become a Suddenlink Employee!**

## **Suddenlink wants employees who are:**

- Comfortable with operating computers.
  - Friendly with Positive Attitudes.
  - Dependable & Reliable.
- Ready to learn and willingness to be coached.

## **WE WANT YOU!**
